

Call for Presenters

**Oklahoma Floodplain Managers Association
2018 Spring Technical Workshop**

What's Going On In Your Floodplain?

**Thursday, April 5, 2018
Hard Rock Hotel and Casino
777 W. Cherokee Street
Catoosa, Oklahoma 74015**

OFMA is inviting speakers to present at our **2018 Spring Technical Workshop** in Catoosa, Oklahoma. Topics of discussion should relate to one of the following:

- 1** *Day-to-Day Floodplain Administration;*
- 2** *Floodplain affected projects, plans or groups topics such as stormwater quality, floodplain habitat, transportation or bridges, stream restorations, watershed groups, home buyouts, sanitary sewer projects, parks or other flood tolerant land uses, floodplain mapping or mapping revisions, green infrastructure, CRS activities, flood mitigation; and*
- 3** *NFIP, FEMA, OWRB, ODEM, ODEQ, OFMA or other agencies and programs.*

Speakers will be allocated 25 minutes, followed by a 5-minute question/answer period, but longer presentations may be accommodated. **Abstracts are due by April February 9, 2018.**

If you are interested in presenting or know someone who would, please contact **Jeff Bigby** at JBigby@BrokenArrowOK.gov or (918) 259-7000 x 5243.
